BOX PICTURE

Opt for safe cycling with our compact Entac COB bicycle lights that are easy to mount on your bike and have two lighting functions, red and white. Due to their IP44 water and dust-proof properties, they are truly long-lasting. Entac COB bike lights are available with a 2W output and 100 lumen brightness. They are equipped with a Li-ion battery that can be recharged with a USB. Due to the rotating lamp holder, you can position the lamp the most suitable way for you.

The Entac Flashlight category includes numerous other products. Learn more about these on the following link.
