BOX PICTURE

Dress up your terrace, balcony or home for the Christmas holiday with Entac Christmas Net Lights! It is perfectly suitable for covering and lighting windows and larger wall areas. Due to the net arrangement of the LEDs and the 8 different lighting modes, a great variety of light shows are available.

Our Christmas Net Lights are available in warm white (WW) or cool white (CW) color temperatures. Due to its IP44 protection, it can be used both indoors and outdoors. The 2Mx1.5M-long string features 160 LEDs, while an additional 5 meters of cable ensures convenient access to a power source.

You may find the detailed operating instructions in the box.

The Entac Christmas lights category includes numerous other products. Learn more about these on the following [link](#).
