BOX PICTURE

The Entac portable fans provide a perfect solution for warm summer days. Due to their compact design, you can use them all over your home, ensuring a cozy atmosphere both for work and relaxation in the summer. With 3 adjustable speeds, you can set the fan to the strength you prefer the most. The 80 ° horizontal head movement spreads the cooling effect of the product as extensively as possible. While with the 30 ° vertical angle a more direct effect can be achieved.

You may find the detailed operating instructions in the box.
