BOX PICTURE

The Entac 1W aluminum flashlights will provide the light you need in every situation. Let it be a power outage, an excursion, a dark winter morning or any other situation, our flashlights and torches will come handy. Our 1W aluminum flashlight with IP44 protection can also be used in wet conditions, while the aluminum case ensures its durability. Due to its small size, it is a truly practical tool that you can always keep with you. The product has a 1W power output and a 110 lumen brightness granting a visual range of up to 30 meters. It works with 1 AA batter and its operating time is a maximum of 4 hours.

The Entac Flashlight category includes numerous other products. Learn more about these on the following [link](#).
