BOX PICTURE

The Entac 2D aluminum flashlights will provide the light you need in every situation. Let it be a power outage, an excursion, a dark winter morning or any other situation, our flashlights and torches will come handy. Our 2D aluminum flashlight with IP65 protection can also be used in wet conditions, while the aluminum case ensures product durability. Light is provided by three 1W and 150 lumen LEDs granting a visual range of up to 75 meters. It works with 2 type D batteries. Its operating time is a maximum of 8 hours.

The Entac Flashlight category includes numerous other products. Learn more about these on the following [link](#).
