BOX PICTURE

The Entac wall switch lamp will provide the light you need in every situation. It will prove handy in the case of a power outage or if the power switch for the main light source is simply too far away. Thanks to their magnetic base they can be placed on any metal surface, fixed with the help of their self-adhesive surface or mounted on the wall as needed. Light is provided by one 1W and 30 lumen COB granting a visual range of up to 5 meters. It works with 4 AAA batteries. Its operating time is a maximum of 5 hours.

The Entac Flashlight category includes numerous other products. Learn more about these on the following [link](#).
