#### PRODUCT DESCRIPTION

The Entac Ball socket extension are indispensable both at work and home. With their help you can provide electricity for all of your electric devices even if the power source is located further away in the room. Decorate your home with this practical device with a unique design. Our ball power strips are available in a version with 4 earthed sockets and also with 3 sockets and 2 USB ports, equipped with a switch, in a 1.5 meter length and a 3G1.5 cable type. The power ball can be mounted easily, and even hidden if needed, with the help of 4 screws. With the help of the switch you can disconnect your devices without unplugging them from the power strip.

The Entac socket extension category includes numerous other products. Learn more about these on the following [link](#).
