#### PRODUCT DESCRIPTION

The Entac colorful socket extension are indispensable both at work and home. With their help you can provide electricity for all of your electric devices even if the power source is located further away in the room. Choose the color that best suits your home and let even this simple object serve as a nice decoration for your home! Our colorful power strips are available in a version with 3 earthed sockets, equipped with a switch, in a 1.5 m cable length and a 3G1.5 cable type. With the help of the switch you can disconnect your devices without unplugging them from the power strip.

The Entac socket extension category includes numerous other products. Learn more about these on the following [link](#).
