PRODUCT DESCRIPTION

The Entac flat head socket extension are indispensable both at work and home. With their help you can provide electricity for all of your electric devices even if the power source is located further away in the room. Our flat head strips are available in a version with 3 earthed sockets, with or without a switch, in a 1.5 meter length and a 3G1.0 cable type. They enable you to access power outlets with your strip even in narrow places and with the help of the switch you can disconnect your devices without unplugging them from the power strip.

The Entac socket extension category includes numerous other products. Learn more about these on the following [link](#).
